Rules”), for entry of an order (the “Proposed Order”), substantially in the form attached hereto as **Exhibit A**, authorizing the Creditors’ Committee to retain and employ the consulting firm of FTI Consulting, Inc. (together with its wholly-owned subsidiaries and independent contractor(s),² “FTI”), as its financial advisor in connection with the Debtors’ chapter 11 cases, *nunc pro tunc* to October 25, 2018. In support of this Application, the Creditors’ Committee submits the declaration of Samuel E. Star, a Senior Managing Director with FTI (the “Star Declaration”), attached hereto as **Exhibit B**. In further support of this Application, the Creditors’ Committee respectfully represents as follows.

Jurisdiction and Venue

1. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This Application is a core proceeding pursuant to 28 U.S.C. 157.
2. Venue of this proceeding and this Application is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought herein are Bankruptcy Code sections 328(a) and 1103, Bankruptcy Rules 2014 and 2016, and Local Bankruptcy Rules 2014-1 and 2016-1.

Background

4. On October 15, 2018 (the “Petition Date”) and continuing thereafter, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Pursuant to Bankruptcy Code sections 1107 and 1108, the Debtors are continuing to operate their businesses and manage their properties and assets as debtors in possession. No request has been made for the appointment of a trustee or an examiner.

² For this engagement, FTI Consulting, Inc. has engaged an independent contractor to assist in providing the services set forth in this Application. The independent contractor will file a separate declaration in support of the Application.

5. On October 24, 2018, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed the Creditors’ Committee pursuant to Bankruptcy Code section 1102 [ECF No. 276].³ On October 24, 2018, the Creditors’ Committee selected Akin Gump Strauss Hauer & Feld LLP to serve as counsel to the Creditors’ Committee, subject to Court approval. On October 25, 2018, the Creditors’ Committee selected FTI to serve as financial advisor to the Creditors’ Committee and on October 29, 2018, the Creditors’ Committee selected Houlihan Lokey Capital, Inc. (“Houlihan Lokey”) to provide investment banking services to the Creditors’ Committee, subject to Court approval.

Relief Requested

6. By this Application, the Creditors’ Committee requests entry of the Proposed Order authorizing the Creditors’ Committee to retain and employ FTI as its financial advisor, *nunc pro tunc* to October 25, 2018, pursuant to Bankruptcy Code sections 328(a) and 1103(a).

7. The Creditors’ Committee is familiar with the professional standing and reputation of FTI. The Creditors’ Committee interviewed numerous financial advisors and engaged in lengthy discussions over the merits of each firm interviewed. After much deliberation, the Creditors’ Committee found FTI to be uniquely qualified to represent the Creditors’ Committee. The Creditors’ Committee understands and recognizes that FTI has a wealth of experience in providing financial advisory services in restructurings and reorganizations and enjoys an excellent reputation for services it has rendered in chapter 11 cases on behalf of official committees of unsecured creditors throughout the United States. The Creditors’ Committee also recognizes that FTI has specific expertise in the retail industry.

³ The Creditors’ Committee currently comprises: (i) Apex Tool Group, LLC; (ii) Brixmor Operating Partnership, L.P.; (iii) Computershare Trust Company, N.A., as indenture trustee; (iv) Oswaldo Cruz; (v) Pension Benefit Guaranty Corporation; (vi) Simon Property Group L.P.; (vii) The Bank of New York Mellon Trust Company, N.A., as indenture trustee; (viii) Basil Vasilou; and (ix) Winiadaewoo Electronics America, Inc.

8. The Creditors' Committee believes that its retention of FTI and the services to be provided by FTI, as described herein, are critical to enable the Creditors' Committee to fulfill its fiduciary duties, including assessing and monitoring the efforts of the Debtors and their professional advisors to maximize the value of the Debtors' estates. Further, FTI is qualified and able to represent the Creditors' Committee in a cost-effective, efficient and timely manner.

Scope of Services

9. FTI will provide financial advisory services to the Creditors' Committee as appropriate and feasible in order to advise the Creditors' Committee in these chapter 11 cases. Subject to Court approval, the Creditors' Committee anticipates that FTI's financial advisory services will include the following:

- assisting in the review of financial related disclosures, including the Debtors' Schedules of Assets and Liabilities, Statements of Financial Affairs and Monthly Operating Reports;
- assisting in the preparation of analyses required to assess any debtor-in-possession financing, including anticipated liquidity, reasonableness of financial covenants and wind-down reserves;
- assisting with the assessment and monitoring of the Debtors' short term cash flow, liquidity and operating results;
- assisting with the review of the Debtors' proposed key employee retention and other employee benefit programs;
- assisting with the review of the Debtors' analysis of core business assets and the potential disposition or liquidation of non-core assets;
- assisting with the review of the Debtors' cost/benefit analysis with respect to the assumption or rejection of various executory contracts and leases;
- assisting with the review of the Debtors' identification of potential cost savings, including overhead and operating expense reductions and efficiency improvements;
- assisting in the review of the Debtors' real estate portfolio, including property level valuations and disposition strategies;
- assisting with the review of any tax issues associated with, but not limited to,

claims/stock trading, preservation of net operating losses, refunds due to the Debtors, plans of reorganization and asset sales;

- assisting in the review of the Debtors' claims reconciliation and estimation process, including an entity and priority level assessment of claims;
- assisting in the review and analysis of the Debtors' intercompany activities and claims amongst the Debtors and their affiliates;
- assisting in the review of other financial information prepared by the Debtors, including, but not limited to, cash flow projections and budgets, business plans, cash receipts and disbursement analysis, asset and liability analysis and the economic analysis of proposed transactions for which Court approval is sought;
- attending meetings and assisting in discussions with the Debtors, the Creditors' Committee, the U.S. Trustee and any other parties in interest and their respective professionals, as requested by the Creditors' Committee;
- assisting in the review and/or preparation of information and analysis necessary for the confirmation of a plan and related disclosure statement in these chapter 11 cases;
- assisting in the evaluation and analysis of avoidance actions;
- assisting in the preparation and prosecution of pleadings filed on behalf of the Creditors' Committee in these chapter 11 cases, including, among other things, responses/objections to the Debtors' motions and attendance at depositions and provision of expert reports/testimony on case issues as required by the Creditors' Committee; and
- rendering such other general business consulting or such other assistance as the Creditors' Committee or its counsel may deem necessary that are consistent with FTI's role as financial advisor.

10. An independent contractor will assist FTI in providing appraisal and valuation services related to the Debtors' real estate portfolio.

No Duplication of Services

11. Contemporaneously with the filing of this Application, the Creditors' Committee also has filed an application for authority to retain Houlihan Lokey to provide investment banking services to the Creditors' Committee. While the Creditors' Committee does not believe the services to be performed by FTI, as financial advisor to the Creditors' Committee, will be

duplicative of the services to be performed by Houlihan Lokey, FTI and Houlihan Lokey recognize the difficulty in predicting how these complex chapter 11 cases will proceed.

12. As such, the Creditors' Committee has delineated carefully the tasks for which each will be responsible. It is currently contemplated that FTI principally will be responsible for preparing financial analyses of the Debtors' cash needs, liquidity under financing facilities, operational elements of the Debtors' businesses (including viability of a reduced store footprint), real estate portfolio (including individual property level valuations and disposition strategies) as well as tax-related advice, claims analysis (third party and intercompany) by entity and review of various prepetition transactions. In addition, FTI will review and assess the relief requested under various first day motions, including cash management, wages, critical vendor and customer programs. Houlihan Lokey primarily will be responsible for advising the Creditors' Committee on the financial and strategic elements of the Debtors' sale of various core and non-core assets and lines of business, plan of reorganization (including relevant valuations and the viability of a stand-alone plan of reorganization) as well as assessing financing alternatives, including exit financing.

13. FTI and Houlihan Lokey will endeavor to coordinate all their services to the Creditors' Committee in order to minimize, wherever possible, any unnecessary duplication of services. Moreover, FTI and Houlihan Lokey have worked in a co-advisory role in numerous other cases and, thus, the firms have experience relevant to ensuring that best practices are maintained in connection with this engagement

FTI's Eligibility for Employment

14. FTI has informed the Creditors' Committee that, except as may be set forth in the Star Declaration, FTI does not hold or represent any interest adverse to the Debtors' estates and, therefore, believes it is eligible to represent the Creditors' Committee under Bankruptcy Code

section 1103(b). To the best of the Creditors' Committee's knowledge and based upon the Star Declaration, (a) FTI's connections with the Debtors, creditors, any other party in interest, or their respective attorneys are disclosed on **Exhibit B** to the Star Declaration; and (b) the FTI professionals working on this matter are not relatives of the U.S. Trustee or of any known employee in the office thereof, or any sitting Judge for the United States Bankruptcy Court for the Southern District of New York. FTI has not provided, and will not provide, any professional services to the Debtors, any of the creditors, other parties in interest, or their respective attorneys and accountants, with regard to any matter related to these chapter 11 cases.

15. FTI will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new material facts or relationships are discovered, FTI will supplement its disclosures to the Court.

16. FTI has agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with these cases.

Terms of Retention

17. FTI is not owed any amounts with respect to pre-petition fees and expenses.

18. During the pendency of these chapter 11 cases, FTI will apply to the Court for allowance of compensation and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, orders of this Court and the guidelines established by the U.S. Trustee.

19. Subject to this Court's approval, FTI seeks to be compensated on an hourly fee basis, plus reimbursement of actual and necessary expenses incurred by FTI. Actual and necessary expenses would include any reasonable legal fees incurred by FTI related to FTI's retention and defense of fee applications in these chapter 11 cases.

20. The customary hourly rates, subject to periodic adjustments, charged by FTI

professionals anticipated to be assigned to this matter are as follows:

United States

	<u>Per Hour (USD)</u>
Senior Managing Directors	\$875 - 1,075
Directors / Senior Directors / Managing Directors	650 - 855
Consultants / Senior Consultants	345 - 620
Administrative / Paraprofessionals	140 - 270

Indemnification

21. In addition to the foregoing, and as a material part of the consideration for FTI's agreement to furnish financial advisory services to the Creditors' Committee pursuant to the terms of this Application, the Creditors' Committee requests approval of the following indemnification for FTI:

- a. all requests for payment of indemnity shall be made by means of a fee application and shall be subject to the approval of, and review by, the Court to ensure that such payment conforms to the terms of any indemnification agreement, the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules and other orders of this Court and is reasonable based on the circumstances of the litigation or settlement in respect of which indemnity is sought;
- b. in no event shall FTI be indemnified or receive contribution or other payment if the Debtor or a representative of the Debtor's estate asserts a claim for, and a court determines by a final order that such claims primarily arose out of, such person's gross negligence, willful misconduct, or fraud of any indemnified parties; and
- c. in the event FTI seeks reimbursement of attorneys' fees from the Debtor pursuant to the indemnification agreement, the invoices and supporting time

records from such attorneys shall be attached to FTI's own interim and final fee applications, and such invoices and time records shall be subject to approval of the Bankruptcy Court under the standards of section 330 and applicable law of the Bankruptcy Code without regard to whether such attorneys have been retained under the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

The Creditors' Committee believes that indemnification is customary and reasonable for financial advisors in chapter 11 cases. *See, e.g., In re Joan & David Halpern, Inc.*, 248 B.R. 43 (Bankr. S.D.N.Y. 2000).

No Prior Request

22. No prior Application for the relief requested herein has been made to this or any other Court.

Notice

23. Notice of this Application will be provided in accordance with the procedures set forth in the *Amended Order Implementing Certain Notice and Case Management Procedures* [ECF No. 405]. The Creditors' Committee respectfully submits that no further notice is required.

[Remainder of page intentionally left blank.]

WHEREFORE, the Creditors' Committee respectfully requests that the Court enter an order, substantially in the form attached hereto as Exhibit A, authorizing the Creditors' Committee to retain and employ FTI as its financial advisor for the purposes set forth above, *nunc pro tunc* to October 25, 2018, and granting such further relief as is just, proper and equitable.

² For this engagement, FTI Consulting, Inc. has engaged an independent contractor to assist in providing the services set forth in the Application. The independent contractor will be filing a separate declaration in support of the Application.

³ Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the

Committee”) of the Sears Holdings Corporation and its affiliated debtors and debtors in possession (collectively, the “Debtors”), for entry of an order authorizing the Creditors’ Committee to retain and employ FTI, as its financial advisor in connection with the Debtors’ chapter 11 cases, *nunc pro tunc* to October 25, 2018, under the terms and conditions set forth in the Application. Except as otherwise noted,⁴ I have personal knowledge of the matters set forth herein.

2. FTI has retained an independent contractor to provide appraisal and valuation services related to the Debtors’ real estate portfolio. Such services are to be used by FTI in the provision of its services to the Creditors’ Committee. FTI intends to include as an expense reimbursement in its fee applications the amounts invoiced to FTI by the independent contractor without any mark-up or increase. The independent contractor will file a separate declaration evidencing its disinterestedness in these chapter 11 cases and the terms of its contracts with FTI.

Disinterestedness and Eligibility

3. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interests in the Debtors that were made reasonably known to FTI. A listing of the parties reviewed is reflected on **Exhibit A** to this Declaration. FTI’s review, completed under my supervision, consisted of a query of the **Exhibit A** parties within an internal computer database containing names of individuals and entities that are present or recent former clients of FTI. A listing of such relationships that FTI identified during this process is set forth on **Exhibit B** to this Declaration.

4. Based on the results of its review, except as otherwise discussed herein, FTI does not have a relationship with any of the parties on **Exhibit A** in matters related to these chapter 11

Application.

⁴ Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

cases. FTI has provided, and could reasonably expect to continue to provide, services unrelated to the Debtors' chapter 11 cases for the various entities shown on Exhibit B. FTI's assistance to the parties shown on Exhibit B has been related to providing various financial restructuring, litigation support, technology, strategic communications, and economic consulting services. To the best of my knowledge, FTI does not hold or represent any interest adverse to the Debtors' estates, nor does FTI's involvement in these chapter 11 cases compromise its ability to continue such consulting services.

5. It is my understanding that professionals in other FTI segments represent parties in certain class action litigation matters or other litigation matters in which the Debtors have an interest (the "Class Action Matters"). Such representations are unrelated to these chapter 11 cases.

6. It is my understanding that FTI's Canadian subsidiary, through its professionals, is the Monitor for Sears Canada, Inc., appointed pursuant to the Companies Creditors Arrangement Act (the "Canada Matter"). FTI, in its role as financial advisor to the Creditors' Committee in these chapter 11 cases, will not be involved in the prosecution or defense of any claims against or by Sears Canada, Inc.

7. It is my understanding that professionals in one of FTI's operating segments have been retained to provide expert testimony in a matter adverse to Fairholme Funds, Inc., an equity holder of the Debtors. This matter is unrelated to these chapter 11 cases.

8. It is my understanding that professionals in other FTI segments were retained in various matters on behalf of and against the Debtors in litigation matters. These matters concluded prior to the Debtors' petition date. Additionally, FTI professionals provided advice to the Board of Directors of Sears Hometown and Outlets Stores, Inc. regarding a transition service agreement. This matter concluded in 2016.

9. In order to maintain the confidentiality of the client information in connection with FTI's engagement on behalf of the Creditors' Committee (the "FTI Committee Engagement"), FTI will protect the client information through the use of its ethical wall procedures. In conjunction with the foregoing, FTI has established and will maintain the following internal procedures: (i) each FTI professional on the FTI Committee Engagement ("FTI Committee Professionals") and the FTI professionals involved in the Class Action Matters and the Canada Matter shall acknowledge in writing that he or she may receive certain nonpublic information and that he or she is aware of the information wall in effect and will follow the information wall procedures therein; (ii) FTI Committee Professionals will not directly or indirectly share any nonpublic information generated by, received from or relating to Creditors' Committee activities or Creditors' Committee membership with FTI professionals involved in the Class Action Matters and the Canada Matter, and FTI professionals involved in the Class Action Matters and the Canada Matter will not directly or indirectly share any nonpublic information generated by, received from or relating to the Class Action Matters and the Canada Matter with FTI Committee Professionals, except that good-faith communication of publicly available information shall not be presumed to be a breach of the obligations of FTI or any FTI Committee Professionals or FTI professionals involved in the Class Action Matters and the Canada Matter under such information wall procedures; (iii) FTI is setting up electronic internal security walls to ensure that only FTI employees involved directly with or working on the FTI Committee Engagement may have access to the information, databases, e-mails, schedules or any other information relating to that engagement; (iv) FTI periodically will monitor, consistent with its ordinary course compliance practice, communications through electronic means among FTI Committee Professionals and FTI professionals involved in the Class Action Matters and the Canada Matter to ensure that such exchanges are performed in a manner consistent with the information wall procedures; and (v) FTI immediately will disclose to

counsel to the Creditors' Committee and the U.S. Trustee any material breaches of the procedures described herein. If FTI ceases to act as advisor to the Creditors' Committee, it will continue to follow the procedures set forth above until a plan has been confirmed in the Debtors' chapter 11 cases or the chapter 11 cases has been converted or dismissed.

10. Further, as part of its diverse practice, FTI appears in numerous cases and transactions that involve many different professionals, including attorneys, accountants and financial consultants, who may represent claimants and parties-in-interest in the Debtors' chapter 11 cases. FTI also has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys, law firms and financial institutions, some of whom may be involved in these proceedings.

11. In addition, FTI has in the past, may currently and will likely in the future work with or against other professionals involved in these chapter 11 cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests adverse to the estate, and none are in connection with these cases.

12. FTI is not believed to be a "Creditor" with respect to fees and expenses of any of the Debtors within the meaning of section 101(10) of the Bankruptcy Code. Further, neither I nor any other member of the FTI engagement team serving this Creditors' Committee, to the best of my knowledge, is a holder of any outstanding debt instruments or shares of the Debtors' stock.

13. As such, to the best of my knowledge, FTI does not hold or represent any interest adverse to the estate, and therefore believes it is eligible to represent the Creditors' Committee under section 1103(b) of the Bankruptcy Code.

14. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or

relationships are discovered or arise, FTI will promptly file a Bankruptcy Rule 2014(a) Supplemental Declaration.

Professional Compensation

15. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and applicable U.S. Trustee guidelines, FTI will seek payment for compensation on an hourly basis, plus reimbursement of actual and necessary expenses incurred by FTI, including legal fees related to this retention application and future fee applications as approved by the Court. FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are adjusted periodically.

16. According to FTI's books and records, during the ninety day period prior to the Debtors' petition date, FTI performed no professional services or incurred any reimbursable expenses on behalf of the Debtors.

17. To the best of my knowledge, (i) no commitments have been made or received by FTI with respect to compensation or payment in connection with these cases other than in accordance with the provisions of the Bankruptcy Code and (ii) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.
